Summary

I am a fifth-year PhD Student at the Dept. of CSE, IIT Kharagpur advised by [Prof. Pawan Goyal](#) and [Prof. Sourangshu Bhattacharya](#). As part of the Complex Networks Research Group (CNeRG), I work on problems that lie at the intersection of Natural Language Processing, Information Retrieval, and Computational Social Science. I did my Masters from IIIT Delhi and Bachelors from Jadavpur University. Additionally, I have four years of professional experience with [PwC India](#) specializing in Data Warehousing, Data Modeling and Business Intelligence using Microsoft Technologies.
